>.NUNO MACEDO

FRONT-END DEVELOPER

## ABOUT

I am a Front-End Web Developer that likes to collaborate in a team environment either by leading teams or projects. In addition to my technical skills, my 5+ years of experience in tech sales and digital marketing offer a natural ability to work with customers and partners on both sides of the business.

FEATURED PROJECT

JUNO'S MARKET | REACT & FIREBASE | *LIVE LINK*
This application was created where the user can create a shopping list by clicking the items in-store and this info is stored in Firebase.

AM I LATE? | JAVASCRIPT & API | *LIVE LINK*
The app was created to help users see if their daily commute will take the same time as usual or they will be running late, this is based on the weather and the TTC running on schedule.

EDUCATION

WEB DEVELOPMENT IMMERSIVE CERTIFICATE
Juno College of Technology (Formerly HackerYou) | Fall 2019

MBA IN MARKETING
Institute Getulio Vargas | 2004 - 2005
